

# Mouse Pad Calendar Instructions

- 1) Select a Layout** Our standard calendar layouts work best when placed at 100% size in your artwork. Use these files for position only (fpo). You can download each layout as a text or curves (outlines) PDF file.

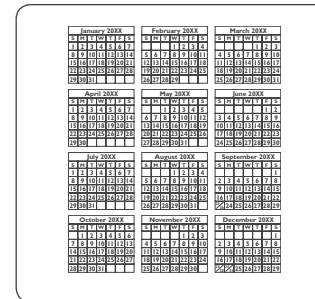

2 Rows Horizontal

2 Rows Vertical

3 by 4

4 by 3

U-Shape

- 2) Choose Hard Surface or Fabric** Choose Hard Surface or Fabric based on the product you are ordering. Hard Surface versions contain fonts that are too small to print on Fabric Surface mouse pads.

- 3) Select a Style** Our art department will combine any of the five styles below, with any of the layouts above for your mouse pad. Tell us the layout, calendar style, and beginning and ending months – we will create a calendar to use with your art.\* Use one of the standard calendar layouts above to position your art.
